

Providence Players Playing Juliet/Casting Othello Production Calendar

- ❖ Audition dates and pickup rehearsals are NOT part of the theater use schedule and must be separately requested and approved by the JL Theater Manager Dan Schrader. They may not necessarily be in the theater. The PPF Board designated James Lee scheduling representative must be copied (via email) on any additional theater/non-theater use time requested/approved by the Theater Manager for a production.
- ❖ Theater use time is our most precious resource, Production Teams (Producer, Director, Designers) shall not cancel theater use time without fully consulting with one another (to see if the theater needs to be accessed by another part of the production team) and notifying the Theater Manager and the PPF Designated Scheduling Rep via email at least two days prior to cancellation to allow for staffing change notices. It is the expectation of the PPF Board that all scheduled weekend theater use time will be utilized by the productions without cancellation.
